Complete the information for your tax form

Product Submission

Share your product catalog

Do you supply any products made in the USA?

- Yes
- No

Do you provide licensed/royalty products?

- Yes
- No

Are you a broker for any of the products you would like to sell?

- Yes
- No

Are you a distributor for any of the products you would like to sell?

- Yes
- No

Are you interested in private label (optional)?	<ul style="list-style-type: none"> • Yes • No
Provide URLs to retail sites where you currently sell (optional)	Enter URL address
Tell us why your products are a good fit for Walmart (optional)	Enter information requested
By providing product information, I agree to be bound by the terms of the Online Product Submission Statement.	View statement and check the box to indicate you have viewed and agree to the terms
Your Products / Manage Catalog Please provide us with information about your entire catalogue – whether it’s several items or just a few – to expand future opportunities for doing more business with Walmart.	<p>To add your product catalog, you will first need to export a spreadsheet template, then fill out your product info & upload. Click the Get Started Button. Provide a list of products IDs for each of the items you would like to share with Walmart. You may enter GTINs, UPCs, EANs, ISBNs or your own unique SKUs. You can submit up to 200 items at a time.</p> <p>Enter a list of your Product IDs, this will populate the spreadsheet template. Click Add Product button.</p> <p>Export the spreadsheet template from the download/upload page and fill out the remaining item information. Refer to Row 6 on the spreadsheet for formatting requirements. Product Image URL must be the image of your product and publicly accessible. Then upload the spreadsheet file on the download/upload page. If the upload does not complete, correct any identified errors, and retry.</p> <p>Review your items to confirm you are ready to submit your catalog to the Walmart buying team. If you need to make changes, edit the spreadsheet and upload again.</p>

Contacts

Add important contacts from your company

Add Contacts	<p>Provide contact information for each role listed below by selecting the role or clicking the 'add contact' button. The same contact can be associated with multiple roles. CEO, CFO and Administrator should be completed first.</p> <ul style="list-style-type: none"> • Administrator • CEO • CFO • Accounts Payable • Account Representative • Customer Service: Customer • Customer Service: Walmart • Facilities • Fulfillment Center After Hours Support • Fulfillment Center • Fulfillment Center IT • Supply Chain • Orders • Operations • Regulatory Compliance • Returns • Content Expert
---------------------	---

Product & Brand

Provide product and brand information

Do you plan on selling products in the store?	<p>We need to know a bit about your products and where you'll be selling them. Depending on your answers you may need to submit more information, which we'll guide you through. Only brands sold in Walmart stores must have a brand ID.</p> <ul style="list-style-type: none"> • Yes • No <p>If yes, do you have all needed brand IDs?</p>
Will you be selling fresh produce?	<ul style="list-style-type: none"> • Yes • No <p>If yes, provide additional information about food safety practices in your facility and get set up with a distribution center. Food Safety Profile – If selling fresh produce, food, or beverage products: Select contact from dropdown. Download Food Safety Produce Disclosure form, complete the form and upload completed copy. Distribution Center Management for Produce – To complete this step, you need to first receive and accept your agreement</p>
Will you be selling any food or beverage products other than fresh produce?	<ul style="list-style-type: none"> • Yes • No <p>If yes, provide additional information about food safety practices in your facility and get set up with a distribution center. Food Safety Profile – If selling fresh produce, food, or beverage products: Select contact from dropdown. Download Food Safety Produce Disclosure form, complete the form and upload completed copy. Distribution Center Management for Produce – To complete this step, you need to first receive and accept your agreement</p>

Insurance

Review requirements and upload Certificate of Insurance

Insurance Provide required insurance certificates for the product(s) you are selling.	<p>If you are approved as a supplier, you will need to procure and maintain insurance to cover legal costs or other liabilities that could result from claims or lawsuits related to your product. You are required to provide insurance information during onboarding before you receive your Business Terms Agreement. You are also required to upload your Certificate of Insurance in Retail Link > Applications > Supplier Liability Insurance (SLI) within 30 days of accepting your Supplier Agreement. You can see the US insurance requirements here.</p> <p>I acknowledge the follow regarding my insurance – accept acknowledgement</p> <ul style="list-style-type: none"> • Walmart Inc, subsidiaries, and affiliates are listed as an 'Additional insured party' and 'Certificate holder' • Should any of the above-described policies be cancelled before the expiration date, the issuers will endeavor to mail 30 days written notice to the certificate holder
Insurance Certifications Add a minimum of one certification and submit. You can always add more certifications later.	<p>Click Add Insurance and provide the following information:</p> <ul style="list-style-type: none"> • Carrier Company • Address • Phone Number • Carrier Email • Policy Info – Expiration Date • Policy Info – Coverage Amount (USD) • Insurance Letter <p>Read the Supplier Liability Insurance Matrix and the Insurance Requirements</p>

Set up EDI-B2B

Configure and test EDI connections

Where will your products be sold?	<p>Select one of the following:</p> <ul style="list-style-type: none"> • Walmart • Sam's Club • Walmart.com • SamsClub.com <p>Supplier selects banner during registration but can make edits here.</p> <p>EDI is needed if any banner is selected other than Walmart.com. WebEDI is needed if Walmart.com banner is the only banner selected. No further action is needed as WebEDI mailbox will be created automatically after you receive your agreement. To make changes or get assistance, contact the EDI helpdesk at 479-273-8888.</p>
EDI integration for Walmart stores, Sam's Club, and SamsClub.com	<p>Select and set up your EDI integration When you start set up you will be first guided to choose between the options we offer for these banners.</p> <p>Global Enterprise Mailbox</p> <ul style="list-style-type: none"> • Select Mailbox • Select Mailbox ID <p>Only using these documents (ASN, Invoice, PO)</p> <ul style="list-style-type: none"> • Yes • No <p>Is this for Goods NOT for Resale (GNFR) or Pharmacy?</p> <ul style="list-style-type: none"> • Yes – click 'AS2 setup' to select AS2 as your EDI option • No <p>Are you going to be doing more than 15000 documents a year?</p> <ul style="list-style-type: none"> • Yes – click 'AS2 setup' to select AS2 as your EDI option • No <p>Click 'Read Me' for details about differences between WebEDI and AS2. You can proceed after reading the help article. Click the Read Me button.</p>

Facility

Set up Factory ID and provide audits

Setup a Factory ID in our Factory Audit System

Provide needed information:

- Factory Name
- Factory address
- Retail Market/ Buyer
- Business License of Factory
- Walmart business information (private brand/ factory type/ operation type)

Reference Walmart's Global Ethics & Compliance Disclosure Policy and Guidelines on <https://corporate.walmart.com/suppliers/requirements/audits-and-certifications>

Logistics

Provide delivery details, set up lead time, and add your facilities

Delivery and DSV Information

Please answer a few questions about delivering to Walmart facilities. To be considered eligible as a DSV supplier, all the following questions must be answered Y

- Will you be delivering your product directly to the stores?
- If Y from previous question, are you using advance ship notice ASN?
- Do you have a US based presence and account management that can provide same-day support?
- Are you able to update inventory with at least one inventory feed per day?
- Can you acknowledge receipt of orders within four business hours?
- Do you have on-site warehouse management who can resolve operations and order issues during weekday business hours?
- Can you ship same day? DSV Program requires supplier to fulfill each weekday and requires 12pm or later order cutoff time.
- Can you ship with the carrier and ship methods assigned by Walmart?
- Can you comply to ship in plain, unbranded packages?

ASN/DEX Selection

Tell us how you'll be handling delivery of your products. Please answer a few questions about the types of products you will be selling and how you plan to transport them.

- Will you be delivering your products directly to the store? Yes/No
- If yes, are you using Advanced Ship Notice (ASN)?

Delivery Lead Time	<p>Provide information about lead time for shipping your product.</p> <ul style="list-style-type: none"> • Selling prescription pharmacy products Yes/No • Selling food/beverage products Yes/No • Selling non-food/beverage products Yes/No <p>Select a Contact</p>
Transportation Ship Point	<p>For Collect Suppliers Only (will show after agreement) Collect shippers must create or request ship points before they can route orders. Please answer a few questions about the types of products you will be selling and how you plan to transport them.</p> <ul style="list-style-type: none"> • Are you a collect shipper? Yes/No <p>You will need to set up ship points in the Transportation Supply Chain Portal (TSCP) application after onboarding.</p>
Facility Information	<p>Provide address, contacts, hours, and other information for all facilities.</p> <ul style="list-style-type: none"> • Add Facility <ul style="list-style-type: none"> ○ Address, City, State/Province, Zip/Postal Code ○ Add Contacts • Add information for receiving orders and shipping orders – start and end times • Add number of days to process • Provide the dates the facility will be closed • Provide unit type and capacity by day • Do you have your own delivery vehicles to ship your goods? Y/N • What types of products are shipped from this facility? (optional)

Acknowledgments

Review and accept important documents

Review and Acknowledge Walmart's compliance, safety, and responsibility sourcing documents.

To complete this onboarding step, review and acknowledge the documents listed.

- Standards for Supplier
- Responsible Sourcing Audit Policy
- Responsible Sourcing Disclosure Policy
- Code of Conduct
- Supplier Antitrust
- Product Safety
- OSHA
- Prop 65 Toolkit

Agreements

Review and Accept the Master Supplier and Business Terms Agreements

Master Supplier Agreement and Business Term Agreement

Supplier Agreements are composed of the Master Supplier Agreement (MSA) and the Business Terms Agreement (BTA). The MSA becomes available after the Company Information, Tax Information and Product Submission tiles are completed and must be accepted prior to action on the BTA. You must complete the remaining tiles on the dashboard before a merchant is able to send the BTA for your review and acceptance. Acceptance of the MSA and BTA is not a guarantee of business.

Walmart.com DSV and Owned Contacts

Add required contacts for DSV and Owned

Add additional contacts required for Walmart.com DSV and Owned Agreements

In the Agreements tile within the Walmart.com DSV and Walmart.com Owned sections, you will be required to add some additional contacts. Click ... to Add required contacts.

DSV

- DSV After Hours Support
- DSV Escalation
- DSV IT
- DSV Primary
- Finance Auto Chargeback
- DSV Claims

Owned

- Owned Primary
- Owned Escalation
- Owned IT

After contacts have been added within the Agreements tile, those contacts and other contacts can be maintained in the Contacts tile.

Assign Facility to Agreement

Map your facilities to your agreement

Select Facility to map to Agreement

Once your 9-digit Agreement number has been assigned and DSV and Owned Contacts are added (if applicable), you will then need to map your agreement to one or more of your facilities.

- In the Assign a Facility to Your Agreement section, you will see the Agreement number. Click Select Address.
- Select the Facility Address and click Save.
- Once the agreement has a facility mapped, a banner that says Agreement to facility mapping is successful appears.
- Use the Edit function to make any changes.

Item

Complete item setup

Create item(s)

Once the below steps are complete, you will be able to start item creation:

- 6-digit supplier number and 9-digit agreement number have been assigned
- Facilities mapped to Agreement
- DSV/Owned Contacts added (if applicable)

Click on Setup an Item and you will be taken into the appropriate item platform based on the agreement type. There are help documents available within the item application for your reference.

If you experience issues or need help with requests you submitted in Item 360, please contact our Partner Support teams through [Supplier Help](#) or [Open a case](#).

Congratulations!

Once you have completed the Supplier Onboarding steps and are in onboarding status of agreement ready, merchants who are interested in your product are able to send an invitation for an agreement. Suppliers that have agreement ready status do not have a guarantee of business.

Once you have a 6-digit supplier number and at least one item set up, you will be graduated from onboarding and will have full access to Retail Link and Academy, which is your source for learning content related to doing business with Walmart and Sam's Club! Academy contains learning articles, videos, documents, and courses on various topics, such as: ordering, transportation, getting paid, packaging standards, and important compliance programs such as Advanced Ship Notice (ASN), On Time in Full (OTIF) and Supplier Quality Excellence Program (SQEP).

You can search courses in a variety of ways:
